OUR TEAM

WHO WE ARE

For more than 10 years we have designed exclusive experiences around Formula 1 in Monaco. AKIO connects people, brands and opportunities in private environments where networking is genuine and strategic.

We take care of the entire management process: travel, access and coordination, guaranteeing trust and discretion so you can focus only on enjoying the experience and building valuable connections during the Grand Prix.

OUR VISION

We operate with complete confidentiality, protecting the privacy and interests of our clients and partners.

We carefully select venues, collaborators and participants, always prioritizing quality over volume.

Each experience is designed and executed with the highest level of excellence, paying attention to every detail to create real value.

MORE THAN 10 YEARS CREATING HOSPITALITY EXPERIENCES

With more than a decade of experience in luxury hospitality and lifestyle, AKIO Club specializes in creating exclusive experiences and high-level networking opportunities in Monaco and Madrid.

Our team has deep local knowledge and a strong international network, allowing us to organize premium experiences during key events such as the Monaco Grand Prix, as well as private gatherings in villas, terraces and yachts.

AKIO Club connects entrepreneurs, investors and international leaders in unique environments, offering high-end hospitality, exclusive access and a platform for strategic relationships.
